

### Social Media Informed Consent

Orthodontics of the North Shore is pleased to announce we have joined social media!

You can now find us on facebook and instagram @orthonorthshore. Please take a moment to find us and follow us!

Through these venues, we share staff pictures, office updates, new contests, and other fun and helpful information that may benefit our patients. With the permission of our patients, we love sharing posts welcoming new patients to the practice, congratulating patients on completing treatment, and posting photos of our patients' new beautiful smiles.

I give my consent to allow Orthodontics of the North Shore to post photographs of me/my child in the formats indicated above.

I DO NOT grant permission to allow Orthodontics of the North Shore to post photographs of me/my child in any of the formats indicated above.
